COACHING IN 2012?

Dear Coaching Staff and any interested Parents and Players,

I am currently seeking coaching staff for 2012 seasons. If you are interested in coaching a Saturday team next year you need to complete the form below and return it to me by Saturday 3rd December 2011. If you are over 18 you will be required to complete a "Working with Children", if you have not already done so.

If you have coached this year and are not intending to continue next year can you indicate on this form also and hand it in to me by Saturday 3rd December 2011.

Thanks
