TOURNAMENT COORDINATOR REPORT 2011

Diamond Creek Force contested 8 tournaments throughout the year, plus the Association Championships with some pleasing results. Congratulations to all the players involved for your efforts throughout the year.

My thanks to all of our coaches who represented our Association. They have displayed commitment, skill and professionalism throughout the year; which has been reflected in our players' attitude, commitment and enthusiasm towards netball.

I would like to thank the team managers/parents that have supported the coaches this year. I know their assistance is appreciated by the coaches.

Thanks also to Gay Martin and her team of umpires for making themselves available so that we can enter our teams into tournaments.

DRINKS ON COURTS

Can all coaches, parents and players refrain from taking their drinks on the playing area – any spillages make the courts slippery for the players. Please have drinks on the court surrounds at breaks in the game.

DIAMOND CREEK CLUB HOODIES

Diamond Creek Hoodies are now on sale \$25, childrens sizes 8-16. Based on demand the club may be able to order adult sizes. They are royal blue with the DC Netball Logo printed on them and are a great way to stay warm during the netball season.

YELLOW BIBBED UMPIRES

If you see an umpire wearing a yellow bib officiating your child's game please remember they are JUST LEARNING the difficult job of umpiring and would rather hear your support than your criticism as they learn. They will make mistakes, they may miss some calls that from the sidelines are "obvious", but if we don't support them they may not continue to develop their skills and become the next generation of skilled umpires.

If you have any issues with an umpires please refer it to Gay Martin – DCNA Umpire Convenor.

Coaching in 2012?

If you are interested in coaching in 2012 the Coaches Registration Form is attached to this newsletter. Please direct any inquiries to Janet Gannon.

2012 REGISTRATIONS

We would like to have registrations finalised by Saturday 3rd December 2011 but if you are undecided as to whether you want to play next it is wise to still put your forms in that way you will be placed into a team for next year. All payments can be finalised by the third round of matches next year unless a payment plan has been organized with Kaye.

Sometimes after a break and you feel re energised you decide that you would like to play after all. At Diamond Creek Force we always accept OLD PLAYERS AND NEW PLAYERS no matter what time of year.

If you know of anyone interested in playing call Kaye 0428 898 393 so that they can be placed into a team with friends.

The Club and Committee would like to wish all our players and their families a safe and happy Christmas and New Year and we look forward to seeing you in 2012!
